Access ♦ Involvement ♦ Exposure ♦ Advocacy

You are invited to join an exclusive group —Boca Chamber's **Trustee Program**.

The Chamber created this group of invited senior-level executives to have an exclusive forum in which to network, make contacts, and discuss major issues affecting the business community. The Trustee Program offers a complete range of benefits and services geared to meet the challenges that CEOs, COOs and high-powered executives face today.

As a Trustee, you have the opportunity to convene with South Florida's leading executives and decision makers. You will be invited to attend various events and meetings, receive private direct emails and group newsletters, and have member benefits and offers exclusive to you. Most importantly, we will be working closely with each other so that all group members prosper and benefit from one another.

Networking forums, private dinners, small Trustee lunches and cocktails, VIP events and meetings with elected officials and community leaders are just some of the benefits of your membership. Additionally, as a Trustee member your company receives special recognition in the Chamber's Annual Magazine, website and at a variety of events. You will also be presented with an elegant plaque and lapel pin. Your participation as a Trustee allows you to be a part of our concerted effort to strengthen the economic vitality and quality of life for which Boca Raton is so well known.

I would like to meet with you at your convenience to discuss in detail what being a Trustee means specifically to you and your business. To arrange a scheduled time to meet, please contact me. I look forward to speaking with you.

## Trustee Testimonials

**Charles Shane, President**  
**Bryason Realty Corporation**

*Greater Boca Raton Chamber of Commerce Trustee Member since November 2001*

“The best three business decisions I ever made – Chamber membership, Trustee membership, and Leadership Boca! The Trustee members are the true business leaders in Boca Raton, and I am honored to be counted among them. The opportunities to interact, and to build relationships, is priceless!”

**Peter J. Gallo, Ph.D., Associate Headmaster for Advancement**  
**Saint Andrew’s School**

*Greater Boca Raton Chamber of Commerce Trustee Member since August 2004*

“The personal touch of the Boca Raton Chamber of Commerce is remarkable. The Chamber through the Trustee program offers to its members more than just advanced opportunities to network with chief executives. It offers the ability to think critically about how to affect change positively in both our local and global economy as well as connecting Trustee members to leaders regionally and nationally. I value our relationship with The Boca Raton Chamber of Commerce and trust that our business community is in good hands.”

**Penny Morey, Managing Director**  
**RemarkAbleHR, Inc.**

*Greater Boca Raton Chamber of Commerce Trustee Member since October 2011*

“A long-time regular member of the Greater Boca Raton Chamber of Commerce, I admit that I was a tad trepidant about elevating my membership to the Trustee level. RemarkAbleHR provides assistance to any size/type of employer; so being a regular Chamber member has always been great for obtaining referrals and clients. But would the other Trustee members be receptive to me and my business? The answer has been “Yes!” Becoming a Trustee level member has proven to be an excellent personal and professional growth decision. The chance to become better acquainted with the other Trustees, attend Trustee-exclusive sessions (e.g., Straight Talk in the Boardroom), as well as being able to listen to the very fine speakers who share their perspectives and wisdom during Trustee gatherings, have all been meaningful--and in a variety of positive ways. At the Trustee level of membership, one feels like a proactive participant in a high caliber group of focused business representatives who are intent on improving and expanding the ‘Commerce’ aspect of Boca Raton.”

- a. A completed **Trustee Membership Application** and **Company Representative Form** are submitted and received by the Greater Boca Raton Chamber of Commerce
- b. **Current Members:** General Membership dues, sponsorship fees, event ticket purchases, and any upgrade dues, if required, are paid in full at time of Trustee Membership Application submission.
- c. **New Chamber Members:** Total Annual Dues are paid at time of submission of **Trustee Membership Application** and **Company Representative Form**.
- d. In the event an Application is received without payment, and there exists an outstanding balance of dues owed, the Greater Boca Raton Chamber of Commerce reserves the right to withhold Application processing, until such time all dues and/or fees are received. Should payment of dues continue to not be received within thirty (30) days of receipt of Application, the Greater Boca Raton Chamber of Commerce may, at its discretion, suspend all mailings, invitations, general notices, etc., of Trustee Membership Events.

### III. Participation

- a. Trustee Member Companies are permitted to allocate two (2) Trustee Representatives to receive all program mailings and invitations. It is the sole responsibility of the Trustee Representative(s) to notify the Greater Boca Raton Chamber of Commerce of any changes to the mailing list.
- b. Applications for Trustee Membership received by the last day of each calendar month will be eligible for Company Introduction at the following Trustee Event, provided dues and/or upgraded dues are paid in full. At that time, new Trustee Members will be presented with a Trustee Icon, bearing the Trustee Membership Company name, and lapel pins for each designated Trustee Member Representative. In the event an Application is received without payment of dues, the Chamber reserves the right to postpone Company introduction and Icon presentation until all dues and/or fees are paid in full.
- c. In order to preserve the integrity of the Trustee Membership Program, only Trustee Representatives are permitted to attend Trustee Events and Receptions. In the event a Trustee

- d. Representative is not able to attend a Trustee function, one (1) management employee of the Trustee company may substitute for that Trustee Representative. Should both Trustee Representatives, as indicated on the application, not be able to attend, no substitutes may be permitted. If a Trustee Member Company only has one (1) representative listed on the application, and is unable to attend, no substitutions are permitted. The Chamber does reserve the right, however, to invite prospective Trustee Members to Trustee events and functions.
- e. Fees for participation at Events may be paid by credit card, cash, or check, in advance of the Event or at the door of the Event, unless otherwise stated. In the event of a no-show, where reservations for a Trustee-paid event have been received by the Chamber, and payment is not processed at time of reservation, the Chamber reserves the right to invoice the Trustee Member Company for any Trustee Member Representative(s) and/or guest(s) not in attendance.
- f. In the event there continues to be a balance due on Event purchases for more than thirty (30) days after reservation or receipt of invoice, whichever comes first, the Greater Boca Raton Chamber of Commerce reserves the right to suspend, without further notice, all Trustee Membership Event mailings, invitations, general notices, etc., until such time all outstanding amounts are paid in full. Should there continue to be an outstanding dues balance for more than ninety (90) days from date of invoice, the Chamber reserves the right to terminate Trustee Membership status.

#### **IV. First Choice Sponsorship**

Trustee Members are offered Chamber coordinated sponsorship opportunities in advance of the General Membership. In an effort to ensure a Trustee reservation for sponsorship, Trustee Members are required to remit sponsorship payment at time of commitment or invoice, whichever comes first. In the event payment is not received, the Chamber may, at its discretion, reissue the sponsorship to other Trustee members or to the General Membership, as required.

#### **V. Renewal/Termination**

Trustee Memberships renew automatically each year, unless otherwise notified by the Trustee Member Representative no later than thirty (30) days from receipt of renewal invoice. At time of renewal, dues may increase/decrease, depending upon dues structure. Renewal of Trustee Membership dues is due and payable upon receipt of invoice.
