Connecting Members | Advancing Commerce | Protecting Business | Enhancing Community

"We're in this together, and together is how we'll get through it"

Good Afternoon Valued Chamber Family Member!

In a continued effort to contain the spread of the coronavirus, the City of Boca Raton has issued an Executive Order closing all non-essential businesses. To review the full order and complete list of exempt businesses [click here](#).

Many businesses in Boca Raton and Boynton Beach have already transitioned to a remote work environment - doing their part to bring an end to this crisis. We encourage the entire business community to take the necessary steps to ensure your business can continue operating while keeping your work-family safe. And as always, be sure to practice all the CDC recommended safety habits. I know we could all use a hug right now - but social distancing matters.

I am so proud of our community. During difficult times, the true fabric of our community spirit is demonstrated through our citizens and their willingness to help those in need. An example of this is the newly launched Boca Helps website, Bocahelps.com. In partnership with the Spirit of Giving network and the Boca Raton Interfaith Clergy Association, this new website connects people who need help with those who want to help by providing necessary supplies needed for the home. To learn more about this program, please [click here](#).

Also, Baptist Health is offering a Baptist Health [Care On Demand Mobile Application](#). Care On Demand provides immediate virtual access to board-certified doctors 24/7. You are able to receive non-emergency care for a variety of conditions from the safety of your home.

And speaking of healthcare - let us all please remember the nurses, doctors and healthcare employees working hard on the front lines to help bring this crisis to an end.

Almost all of the Boca Chamber's committees, vertical groups and meetings are all still happening - virtually! In addition, we are constantly identifying unique virtual networking opportunities to keep your businesses connected. Please join us this Thursday, March 26 for a Live After Five/ Happy Hour Virtual Event by [clicking here](#).

As we continue to help our local restaurants, take a break from the stove or the grille tonight and participate in "The

Your Chamber and our community continues to work together during these uncertain times. Thank you for your commitment and effort to help us all through this as safely and swiftly as possible. Your Chamber is here and we are available. Please call or email us if you have any questions.

Remember- We're in this together, and together is how we'll get through it.

Moving Forward,
